Food and Beverage News

FOOD & BEVERAGE COMMITTEE

Thanks again for your input last month. Love all your suggestions to improve our food and beverage service – keep them coming to Kimberlyhughes553@gmail.com.

HCC TAKE OUT- MORE THINGS TO CONSIDER

In last month's newsletter we highlighted the fact that you can call the Kitchen line **438-4414 #104** as early as 4:30 to order meals for take out on Tuesdays, Wednesdays, and Thursdays. Several of you have gotten pizzas to go after thinking about this – I know I did – and WOW they are DELICIOUS. If you haven't tried this easy option for dinner – I highly recommend it.

In addition – if you are headed to the beach – why not let Chef Richard and his staff help you make it even easier. Get a breakfast quiche to pop in the oven that first morning you wake up looking at the sand and surf –stock up on chicken salad and tuna salad for easy sandwiches in the afternoon – and have them prepare lasagna to heat for dinner or a beautiful tenderloin of beef. You are on vacation – relax – enjoy – and let HCC cook for you even while you are away.

We are anticipating your calls – we are installing a louder decibel bell for the kitchen phone so we can be even more responsive to your needs. Put our team to work for you!!!!

I am posting the menus to this newsletter again to help make this even easier.

SNACK BAR

The snack bar team enjoys helping you and your family as you enjoy our beautiful pool. Wednesday continues to be our biggest pool day and to help extend that fun we are going to keep the Snack Bar and 19th Hole open for service until 8 pm. So start and finish your day at the pool – how easy is that?

WINE AND DESIGN – 7.31.2029

Judy Choplin came up with a great idea for some new fun together. On Wednesday, July 31st we will gather in the ballroom and work with the Wine and Design Team from Wake Forest to create our own version of the picture below.

We will paint from 5:30-7:30 sipping wine if you like! When we are done we will enjoy a Farmhouse salad for dinner in the Oak Room. We need to have reservations made by Monday July 15 in order to move forward with this event. You can let Judy know – or me – or call Tracey. Don't worry if you can't draw a straight line with a ruler – these people are pretty good at bringing out

our hidden talents no matter how deeply they are buried! Cost including dinner is \$55.

SPECIALTY DRINK OF THE MONTH

This one has all your summer flavors – The Frisky Cucumber – a gin based drink specially priced at \$5.50 for the month of July.

SUMMER SOLSTICE PARTY JUNE 21

Another great job by your Social Committee – over 50 people attended and enjoyed the night. This is another in a string of successful events this committee has put together to give us time to socialize together and enjoy our club. They have a Chef's Pairing Dinner targeted for October – that will be very special I know – so keep watching for more details and come join the fun.

Courts

The maintenance staff has requested that tennis players not adjust the valves used for watering the tennis courts. The valves are very difficult to

adjust to get the flow of water to be consistent. It is particularly difficult to maintain the wet or dryness of the courts when the weather fluctuates. The staff is monitoring the court conditions and will adjust the watering valves as needed.

If a part of the court is particularly dry when you arrive to play there is a hose outside the fence that can be used to sprinkle water on that part of the court so you can have consistent play on that one court.

Thank you for working with the court maintenance staff on this matter.

Membership

Last year the Board of Directors approved a yearlong tennis only membership. If you know of someone that is a tennis enthusiast please have them contact the club membership committee for further details.

If you are looking for a tennis game or the name of other members that play tennis, you can contact me by email and I will help make the connection to other members that are interested in playing tennis.
